

Wirtualna Biblioteka Nauki

Content: The service is run by ICM UW (Interdisciplinary Centre for Mathematical and Computational Modelling UW). ICM negotiates and implements contracts between foreign publishers and the Ministry of Education and Science (national agreements, financed from the central budget) and agreements for databases and publications with partial funding (consortium agreements).

The screenshot shows the website header with the title 'Wirtualna Biblioteka Nauki' and a navigation menu with items: 'O WBN', 'Zasoby', 'Komunikaty', 'Kontakty', 'Zgłoszenia', 'IP', and 'Informator'. Below the header is a banner image of bookshelves. Two callout boxes are present: one pointing to the 'Zasoby' menu item and another pointing to the 'Komunikaty' menu item. Below the banner is a message: 'Twój numer IP 150.254.19.208 jest zarejestrowany przez Politechnika Poznańską'. Below this is a list of categories: 'Czasopisma i książki w licencjach krajowych', 'Bazy bibliograficzne w licencjach krajowych i narzędzia bibliometryczne', 'Czasopisma i książki w licencjach konsorcyjnych', 'Czasopisma, ekonomiczne i matematyczne w licencjach konsorcyjnych', and 'te zasoby bibliograficzno-pełnotekstowe na serwerach ICM'. A third callout box points to the 'Czasopisma i książki w licencjach krajowych' category.

Resources - information on subscribed databases and publications (including journal and book titles), access details. Information provided by publisher

Announcements - up-to-date news on new agreements, planned changes, possible access problems.

In **Resources** you can select the category you are interested in and then the publisher from the list displayed. Each publisher has a complete list of purchased resources (journal titles and volumes, book titles, access to databases).
