FOREWORD 5

1 Scope 7

2 Normative references 7

3 Definitions..... 9

4 Classification of environmental conditions..... 9

5 Test conditions..... 11

 5.1 Climatic tests 11

 5.2 Biological tests..... 11

 5.3 Tests of resistance against chemically active substances 13

 5.4 Tests of resistance against mechanically active substances 13

6 Mechanical tests 13

 6.1 Dynamic tests 15

 6.2 Lifting and stiffness test 15

7 Safety aspects 15

 7.1 Locking devices 17

 7.2 Vandalism resistance 17

 7.3 Bullet resistance 17

8 Seismic requirements..... 17

9 Electromagnetic shielding performance 17
