

CONTENTS

Prof. Ewa PRUSZEWICZ-SIPIŃSKA, Ph.D., Architectural Engineer, Poznań University of Technology Architectural design in theory	5
--	---

Prof. Marian FIKUS, Ph.D., Architectural Engineer, Poznań University of Technology Space	7
---	---

Maciej JANOWSKI, Ph.D., Architectural Engineer, Michał PIECHNIK, M.Sc., Architectural Engineer Introduction	11
---	----

Semester 1

Maciej JANOWSKI, Ph.D., Architectural Engineer Programme of lectures: Theory of basics of architectural design with elements of ergonomics	17
--	----

Radosław BAREK, Ph.D., Architectural Engineer Programme of classes: Theory of basics of architectural design with elements of ergonomics	21
--	----

Agata BONENBERG, Ph.D., Architectural Engineer Selected students' works	27
--	----

Semester 3

Michał ANKIERSZTAJN, Ph.D., Architectural Engineer Michał PIECHNIK, M.Sc., Architectural Engineer Programme of classes: Service and commercial facilities design 1	41
--	----

Michał PIECHNIK, M.Sc., Architectural Engineer Selected students' works	45
--	----

Semester 5

Prof. Hanka ZANIEWSKA, Ph.D., Architectural Engineer Programme of lectures: Theory and principles of residential facilities design 2	73
---	----

Mieczysław KOZACZKO, Ph.D., Architectural Engineer Programme of classes: Residential facilities design 2	75
---	----

Mieczysław KOZACZKO, Ph.D., Architectural Engineer Selected students' works	79
--	----

Semester 9

Michał ANKIERSZTAJN, Ph.D., Architectural Engineer Programme of lectures: Service and commercial facilities design 2	113
---	-----

Michał ANKIERSZTAJN, Ph.D., Architectural Engineer Programme of classes: Service and commercial facilities design 2	117
--	-----

Maciej JANOWSKI, Ph.D., Architectural Engineer Selected students' works	121
--	-----
