ATPL Book 3 Electrics and Electronics

DC Electrics

1. DC Electrics - Basic Principles	1
2. DC Electrics - Switches	27
3. DC Electrics - Circuit Protection and Capacitors	35
4. DC Electrics - Batteries	51
5. DC Electrics - Magnetism.	69
6. DC Electrics - Generators and Alternators	81
7. DC Electrics - DC Motors	103
8. DC Electrics - Aircraft Electrical Power Systems.	119
9. DC Electrics - Bonding and Screening	143
10. DC Electrics - Specimen Questions	149

AC Electrics

11. AC Electrics - Introduction to AC	159
12. AC Electrics - Alternators	185
13. AC Electrics - Practical Aircraft Systems	219
14. AC Electrics - Transformers	229
15. AC Electrics - AC Motors	239
16. AC Electrics - Semiconductors	249
17. AC Electrics - Logic Gates	261
18. Index.	275
