

CONTENTS

| | |
|-----------------------|-----|
| Preface..... | vii |
| About the Author..... | ix |

1. INTRODUCTION

| | |
|---|----|
| 1.1. Objectives of the handbook..... | 1 |
| 1.2. Experimental methods involved..... | 2 |
| 1.3. Guide to the data tables..... | 7 |
| 1.4. List of symbols..... | 11 |
| 1.5. References..... | 13 |

2. VAPOR-LIQUID EQUILIBRIUM (VLE) DATA AND GAS SOLUBILITIES AT ELEVATED PRESSURES

| | |
|--|-----|
| 2.1. Binary polymer solutions..... | 15 |
| 2.2. Table of binary systems where data were published only in graphical form as phase diagrams or related figures..... | 89 |
| 2.3. Ternary and quaternary polymer solutions..... | 102 |
| 2.4. Table of ternary or quaternary systems where data were published only in graphical form as phase diagrams or related figures..... | 138 |
| 2.5. References..... | 142 |

3. LIQUID-LIQUID EQUILIBRIUM (LLE) DATA OF POLYMER SOLUTIONS AT ELEVATED PRESSURES

| | |
|--|-----|
| 3.1. Cloud-point and/or coexistence curves of quasibinary solutions..... | 157 |
| 3.2. Table of binary systems where data were published only in graphical form as phase diagrams or related figures..... | 172 |
| 3.3. Cloud-point and/or coexistence curves of quasiternary solutions and/or quasiquaternary solutions..... | 174 |
| 3.4. Table of ternary or quaternary systems where data were published only in graphical form as phase diagrams or related figures..... | 178 |
| 3.5. References..... | 180 |

4. HIGH-PRESSURE FLUID PHASE EQUILIBRIUM (HPPE)

DATA OF POLYMER SOLUTIONS

| | | |
|------|---|-----|
| 4.1. | Cloud-point and/or coexistence curves of quasibinary solutions..... | 183 |
| 4.2. | Table of binary systems where data were published only in graphical form as phase diagrams or related figures..... | 299 |
| 4.3. | Cloud-point and/or coexistence curves of quasiternary solutions and/or quasiquaternary solutions..... | 308 |
| 4.4. | Table of ternary or quaternary systems where data were published only in graphical form as phase diagrams or related figures..... | 452 |
| 4.5. | References..... | 457 |

5. PVT DATA OF POLYMERS AND SOLUTIONS

| | | |
|--------|------------------------------------|-----|
| 5.1. | PVT data of polymers..... | 469 |
| 5.2. | PVT data of polymer solutions..... | 512 |
| 5.2.1. | Binary polymer solutions..... | 512 |
| 5.2.2. | Ternary polymer solutions..... | 521 |
| 5.3. | References..... | 534 |

APPENDICES

| | | |
|------------|--|-----|
| Appendix 1 | List of polymers in alphabetical order..... | 537 |
| Appendix 2 | List of systems and properties in order of the polymers..... | 545 |
| Appendix 3 | List of solvents in alphabetical order..... | 571 |
| Appendix 4 | List of solvents in order of their molecular formulas..... | 578 |

| | |
|------------|-----|
| INDEX..... | 585 |
|------------|-----|
