

Instrumentation

ATPL(A)

Principles and Sensors	01
Pressure Sensing	02
Pressure Altimeter	03
Vertical Speed Indicator	04
Airspeed Indication	05
Machmeter and ADCs	06
Magnetism	07
Direct Reading Compasses	08
Gyroscopes	09
Turn Indicators	10
Attitude Indicators	11
Direction Indicator	12
Remote Reading Compasses	13
Inertial Navigation Principles	14
Inertial Reference Systems	15
Flight Management Systems	16
Using Flight Management Systems	17
EFIS	18
Datalink Communications	19
Automatic Flight	20
Automatic Flight Path Guidance	21
Autoland	22
Flight Directors	23
Alerting Systems	24
GPWS & TAWS	25
ACAS	26
Flight Data Recording	27
Powerplant & System Monitoring	28
Fuel Flow and Contents	29
Digital Circuits and Computers	30
Newer Technology	31
