1 Scope.....4

2 Normative references.....4

3 Requirements4

 3.1 Application.....4

 3.2 Standard value of rated voltage (U_r)4

 3.3 Standard values of rated current (I_r)4

 3.4 Minimum nominal creepage distance4

 3.5 Dielectric characteristics5

 3.6 Dimensions and components.....5

 3.7 Cantilever load withstand test.....7

Bibliography.....8

Figures

Figure 1 – Type 1 - 3 bushings (250 A to 630 A).....5

Figure 2 – Type 4 - 8 bushings (1 250 A to 5 000 A).....5

Tables

Table 1 – Minimum nominal creepage distance4

Table 2 – Standard dimensions6

Table 3 – Cantilever test load7

Table 4 – List of components7
