

CONTENTS

PART I: INTRODUCTION: AN HISTORICAL PERSPECTIVE ON DRIVING AND THE DRIVER REHABILITATION TEAM, 1

Chapter 1 Introduction to Driver Rehabilitation and Community Mobility, 3
Wendy Macdonald, Joseph M. Pellerito, Jr., Marilyn Di Stefano

Chapter 2 Driving and Community Mobility: An Historical Perspective, 23

Section I:

History of the Automobile, 23

Charles K. Hyde

Section II:

Pioneers in Driver Rehabilitation, 32

Joseph M. Pellerito, Jr.

Chapter 3 The Role of the Automobile in American Culture, 35

Joseph M. Pellerito, Jr., Catherine L. Lysack

Chapter 4 The Driver Rehabilitation Team, 53

Section I:

Primary Team Members and Key Services, 53

Joseph M. Pellerito, Jr., Carol A. Blanc

Section II:

Service Delivery Models, 58

Joseph M. Pellerito, Jr., Carol A. Blanc

Section III:

The Role of the Vehicle Modifier: A Closer Look, 68

Linda McQuiston, Dana L. Roeling

PART II: MEASURING DRIVING POTENTIAL BEFORE HITTING THE ROAD, 75

Chapter 5 The Adapted Driving Decision Guide, 77

Joseph M. Pellerito, Jr., Cynthia J. Burt

Chapter 6 The Clinical Evaluation, 103

Section I:

The Clinical Evaluation, 103

Carol J. Wheatley, Joseph M. Pellerito, Jr., Susan Redepinning

Section II:

The Clinical Evaluation of Vision, 116

Patrick T. Baker

Section III:

The Clinical Evaluation of Bioptic Drivers, 140

*Charles P. Huss***Section IV:**

The Clinical Evaluation of Hearing, 146

*Marilyn Di Stefano***Section V:**

The Clinical Evaluation of Psychosocial Factors, 153

Annette Lavezza, Susan L. Martin

- Chapter 7 **Determining Fitness to Drive: Neuropsychological and Psychological Considerations, 165**

Renee Coleman Bryer, Lisa J. Rapport, Robin A. Hanks

- Chapter 8 **Medications, Disabilities, and Driving, 185**

Renee Tyree

- Chapter 9 **The Impact of Positioning and Mobility Devices on Driving and Community Mobility, 199**

Beth E. Anderson, Chris Maurer

- Chapter 10 **Driving Simulators, 223**

*Erica B. Stern, Elin Schold Davis***PART III: MEASURING AND IMPROVING DRIVING PERFORMANCE, 237**

- Chapter 11 **Preparing for the On-Road Evaluation, 239**

Jerry Bouman, Joseph M. Pellerito, Jr.

- Chapter 12 **On-Road Driver Evaluation and Training, 255**

Section I:

On-the-Road Evaluation of Driving Performance, 255

*Marilyn Di Stefano, Wendy Macdonald***Section II:**

On-Road Evaluation and Visual Functioning, 275

*Patrick T. Baker***Section III:**

On-Road Evaluation and Training of Clients Using Bioptic Telescopic Lens Systems, 278

*Charles P. Huss***Section IV:**

On-Road Evaluation and Training of Clients with Hearing Impairments, 285

Marilyn Di Stefano

- Chapter 13 **Advanced Strategies for On-Road Driver Rehabilitation and Training, 297**

*Marilyn Di Stefano, Wendy Macdonald***PART IV: DOCUMENTATION AND FUNDING, 309**

- Chapter 14 **Documenting Driver Rehabilitation Services and Outcomes, 311**

Michael K. Shipp, Ann B. Havard

- Chapter 15 **Funding for Driver Rehabilitation Services and Equipment, 333**

Karen Monaco, Joseph M. Pellerito, Jr.

PART V: ENVIRONMENTAL FACTORS IMPACTING DRIVERS, PASSENGERS, AND PEDESTRIANS, 343

- Chapter 16 Universal Design and the Automobile, 345
R. Darin Ellis, Gary Leonard Talbot
- Chapter 17 Wheeled Mobility Tiedown Systems and Occupant Restraints for Safety and Crash Protection, 357
Lawrence W. Schneider, Miriam Ashley Manary
- Chapter 18 In-Vehicle Intelligent Transport Systems, 373
Marilyn Di Stefano, Wendy Macdonald
- Chapter 19 Designing the External Environment for Traffic Safety, 391
Tapan K. Datta
- Chapter 20 Driver Rehabilitation for Recreation and Leisure, 419
Bethany Broadwell, Susan Popek-Boeve
- Chapter 21 Driving Cessation and Alternative Community Mobility, 425
David W. Eby, Lisa J. Molnar, Joseph M. Pellerito, Jr.
- Chapter 22 Urban Planning for Efficient Community Mobility, 455
Kevin Borsay, Mark Nickita

PART VI: PROFESSIONAL ETHICS AND EVIDENCE-BASED DRIVER REHABILITATION PRACTICE, 463

- Chapter 23 Legal and Professional Ethics in Driver Rehabilitation, 465
Janie B. Scott
- Chapter 24 Research and Evidence-Based Practice in Driver Rehabilitation, 487
Franklin Stein
- Chapter 25 Emergent Functional Brain Imaging and Driver Rehabilitation, 499
Richard J. Genik II, Li Hsieh, Christopher C. Green

PART VII: PROGRAM AND PROFESSIONAL DEVELOPMENT IN A RAPIDLY EVOLVING FIELD, 519

- Chapter 26 Developing a Driver Rehabilitation Program, 521
Thomas D. Kalina, Elizabeth L. Green

GLOSSARY, 539

APPENDICES

DOCUMENTATION AND BILLING INFORMATION, 547
