Preface.....	ix
Contributors	xi
Organization of the Book.....	xv
Brief Introduction of Editors.....	xix

Chapter 1 Measuring Banking Sector Efficiency: A Malmquist Approach 1

Manoj Kumar Mishra and Vikas Deepak Srivastava

Chapter 2 A Hybrid MCDM Model Combining Entropy Weight Method
with Range of Value (ROV) Method and Evaluation Based
on Distance from Average Solution (EDAS) Method for
Supplier Selection in Supply Chain Management..... 13

Josy George and J. Francis Xavier

Chapter 3 Quality Loss Function Deployment in Fused Deposition
Modelling 25

Imran Siraj and Pushpendra S. Bharti

Chapter 4 Effect of Physical Attributes of Coconut on Effective Husk
Separation: A Review 39

*Abi Varghese, Joby G. David, Mebin Toms Mathew,
Mijo P. Saji, and Sambhu Nair V.S.*

Chapter 5 Selection of Features and Classifier for Controlling
Prosthetic Devices 47

Keerti and Karan Veer

Chapter 6 An Intelligent Solution for E-Waste Collection:
Vehicle Routing Optimization 59

*Shailender Singh, Malhar Tidke, Mani Sankar Dasgupta,
and Srikanta Routroy*

Chapter 7	Identification of Most Significant Parameter in Estimation of Solar Irradiance at Any Location: A Review	75
	<i>Shubham Gupta and Amit Kumar Singh</i>	
Chapter 8	Assessment of Sustainable Product Returns and Recovery Practices in Indian Textile Industries	85
	<i>Amit Vishwakarma, M.L. Meena, G.S. Dangayach, and Sumit Gupta</i>	
Chapter 9	Integrating Reliability-Based Preventive Maintenance in Job Shop Scheduling: A Simulation Study	91
	<i>Shrajal Gupta and Ajai Jain</i>	
Chapter 10	Prioritizing Circular Economy Performance Measures: A Case of Indian Rubber Industries	107
	<i>Somesh Agarwal, Mohit Tyagi, and R.K. Garg</i>	
Chapter 11	Fuzzy FMEA Application in the Healthcare Industry	125
	<i>Prateek Saxena, Dilbagh Panchal, and Mohit Tyagi</i>	
Chapter 12	Drivers of Industry 4.0 in a Circular Economy Initiative in the Context of Emerging Markets	135
	<i>Chitranshu Khandelwal, Sourabh Kumar, and Mukesh Kumar Barua</i>	
Chapter 13	Strategies to Manage Perishability in a Perishable Food Supply Chain	149
	<i>Anish Kumar, Pradeep Kumar, and Sachin Kumar Mangla</i>	
Chapter 14	Six Sigma: Integration with Lean and Green	165
	<i>Dain D. Thomas, Dinesh Khanduja, and Neeraj Kumar</i>	
Index		183
