Foreword.....	3
1 Scope	4
2 Normative references	4
3 Requirements	5
3.1 General.....	5
3.2 Resistance of the fitting materials to the medium	5
3.3 Permissible working pressures and temperatures	5
4 Survey	6
4.1 General.....	6
4.2 Types of fixing on hose side	7
4.3 Types of connection	8
4.3.1 Hose fittings with flange connection	8
4.3.2 Hose fittings with threaded connection	9
4.3.3 Hose fittings with quick coupling connection	10
5 Designation	13
6 Type approval testing and quality control	14
7 Mounting of hose fittings.....	14
8 Marking	14
Annex A (informative) Application of hoses and hose coupling types	15
Bibliography.....	16
