Foreword..... 3

1 Scope 4

2 Principle..... 4

3 Reagents..... 4

4 Apparatus 5

5 Sampling..... 8

6 Test specimens..... 9

7 Analysis 9

8 Procedure 10

9 Preparation of standard solutions 10

10 Chromatographic parameters..... 10

11 Number of test specimens 10

12 Incubation of the test specimens 11

13 Determination with an external standard 11

14 Results 11

15 Precision Data 11

16 Detection limits 11

17 Test report..... 11
