

## CONTENTS

### CHAPTER ONE

LIMES.—Their Burning, Composition, Hydrating and Varieties	PAGE
	I

### CHAPTER TWO

PLASTERS AND CEMENTS.—Their Manufacture, Testing, Hardening and Setting, Waterproofers, Retarders, Etc.	PAGE
	9

### CHAPTER THREE

SANDS.—Their Formation, Kinds, Uses, Grading and Washing	PAGE
	28

### CHAPTER FOUR

LATHING.—Substitutes for Lathing, such as Plaster and Wall Boards, Expanded Metal and other Lathing, Running Lime, Making-up Material such as Lime Coarse, Setting and Skimming Stuff; Compo for Cement Backings	PAGE
	34

### CHAPTER FIVE

INTERIOR PLASTERING.—Covering Lathwork and Expanded Metal, Floating, Rendering and Pricking Up, Plumbing Dots to Form Screeds, etc.; Devilling, Combing, Setting or Skimming Walls and Ceilings with Various Materials, also the Mixing; Tracing, Cutting, Filing and Making Running Moulds; Running Panel and Rib Mouldings, Cutting Mitres, Running Dado and Skirting Mouldings, Forming Ramps to Staircases; "Decranite" in all Colours for Hardwall Decorations	PAGE
	54

### CHAPTER SIX

INTERIOR WORK.—Running Arch Mouldings, Semi or Elliptical, Making and Horsing the Mould, Levelling	PAGE
	vii

and Floating Ceilings, Repairs to Plain and moulded Surfaces, Cement and Granolithic Paving ; Surface Hardening to Cement Pavings, Screeding to Floors and Walls ; Fixing, etc., Plaster and Wood Pulp Boards ; Substitutes for Brick or Breeze Walls ; Covering Invisible Heating Panels . . . . .	82
---	----

## CHAPTER SEVEN

INTERIOR WORK.—Fibrous Work Making and Moulding, Making and Running Models on the Bench ; Case Making for Gelatine Mouldings and Ornaments ; Gelatine Moulds, Preparing and Casting ; Reverse Mouldings, Strait with loose Pieces ; Beam Casting and Soffit Moulds, Reverse Mould for Plaster Cap, Preparing Mould ; Casting in Keens . . . . .	112
---	-----

## CHAPTER EIGHT

SHOP WORK.—Bench Making, Setting Out Raking mouldings, Setting Out and Forming Columns and Fixing Caps ; Columns Mould, Making, Casting and Fixing ; Diminishing Fluted Columns ; Setting Out Circular Shaped Ceilings, Making the Ribs . . . . .	137
---	-----

## CHAPTER NINE

EXTERNAL PLASTERING.—Plumbing Dots, Forming Screeds, Planking In and Finishing Off, Jointing Surfaces, Rough Casting, Coloured Cements, Forming Cement Mouldings, Cutting and Making the Moulds, Working in Returns, Sinkings to Piers Forming Quoins, Forming Cement Mouldings, Cutting and Making the Mould, Setting it up in position, Working in the Returns . . . . .	154
--	-----

## CHAPTER TEN

EXAMINATION PAPERS.—Measuring and Describing Plaster Work ; Examinations Papers for Plasterers as set by the City and Guilds London Institute in Plaster Work . . . . .	181
---	-----

APPENDIX . . . . .	190
--------------------	-----

INDEX . . . . .	193
-----------------	-----
