

Editorial Board

prof. Marcin Ślęzak, PhD, D.Sc. - Chairman of the Editorial Board
Edward Menes, PhD - Honorary Chairman of the Editorial Board
Anna Dzieniowska, MSc - Secretary of the Editorial Board
Michał Kopacki, MSc - Technical Editor
Tomasz Drecki - Language Editor

Thematic editors:

Maria Dąbrowska-Loranc, MSc - road traffic safety
Paweł Dziedzic, MSc - car diagnostics, mobility of people with disabilities
Andrzej Żółtowski, PhD, Eng. - environmental protection in transport, car drives
Mikołaj Kruszewski, PhD, Eng. - intelligent transport systems, transport autonomy
Ewa Rostek, MSc - mechanical engineering
Małgorzata Zysińska, MSc - economic analysis and monitoring of the transport market and the transport, forwarding, logistics industry

Scientific Council

prof. Jerzy Merkisz, Poznań University of Technology, Poland
(Chairman of the Scientific Council)
prof. Marcin Ślęzak, Motor Transport Institute, Poland
(Deputy Chairman of the Scientific Council)

Members:

Peter Bailey, PhD - Instron Dynamic Systems, Buckinghamshire, UK
prof. Pavel Foltin - University of Defence, Brno, Czech Republic
prof. Wojciech Gis - Motor Transport Institute, Poland
prof. Juraj Grenčík - Žilinská Univerzita, Slovakia
prof. Kamila Hasilowá - University of Defense, Brno, Czech Republic
prof. Vladimír Jurča, Czech University of Life Science, Prague, Czech Republic
prof. Igor Kabashkin, Transport and Telecommunication Institute, Riga, Latvia
prof. Stanisław Kruczyński, Motor Transport Institute, Poland
prof. Shigeru Kuramoto, Ibaraki University, Japan
prof. Kazimierz Lejda, Rzeszów University of Technology, Poland
prof. Bogusław Liberadzki, Warsaw School of Economics, Poland
prof. Andrzej Niewczas, Motor Transport Institute, Poland
prof. Martin Pexa, Czech University of Life Science, Prague, Czech Republic
prof. Martin Vlkovský, University of Defense in Brno, Czech Republic

CONTENS

Małgorzata Zysińska, Ewa Kamińska, Maciej Menes <i>Analysis of unit costs at the Polish international truck freight transport companies in 2019 - eastern markets</i>	3
Małgorzata Zysińska, Ewa Kamińska, Maciej Menes <i>Comparative analysis of the unit costs of the Polish international freight transport companies operating on the EU markets, in the years 2009-2019</i>	13
Eliza Łagowska <i>Method of evaluating transport tasks in the army with the use of mathematical modelling</i>	24
Beata Stasiak-Cieślak, Piotr Malawko, Tomasz Szczepański <i>Automotive Services Centre for the Disabled Persons - review of research and development works in 2015-2020</i>	29
Katarzyna Kosakowska <i>Evaluation of the infrastructure conducive to the development of electromobility in Poland</i>	34
Tomasz Szczepański, Stanisław Traczyk, Paweł Dziedzic <i>The method of determining the main harmonic frequency component</i>	38
Katarzyna Jóźwiak, Patrycja Sołoducha <i>Concept of improving shipping processes on a selected example</i>	43
