|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------|
| Foreword.....                                                                                                                                                                   | 3    |
| 1 Scope .....                                                                                                                                                                   | 5    |
| 2 Normative references .....                                                                                                                                                    | 5    |
| 3 Principle .....                                                                                                                                                               | 5    |
| 4 Reagents .....                                                                                                                                                                | 6    |
| 5 Apparatus .....                                                                                                                                                               | 7    |
| 6 Preparation of test specimens.....                                                                                                                                            | 9    |
| 7 Procedure .....                                                                                                                                                               | 9    |
| 8 Expression of results .....                                                                                                                                                   | 16   |
| 9 Test report .....                                                                                                                                                             | 17   |
| Annex A (normative) Determination of the suitability of olive oil as the fatty food simulant and of triheptadecanoin as the internal standard .....                             | 18   |
| Annex B (normative) Determination of the need for sample conditioning.....                                                                                                      | 20   |
| Annex C (normative) Determination of the need for sample conditioning and determination of the mass of moisture sensitive test specimens, by vacuum drying.....                 | 21   |
| Annex D (normative) Determination of change in moisture content of test specimens by measurement of the transfer of water to, or from olive oil, by Karl Fischer titration..... | 23   |
| Annex E (informative) Typical chromatograms and calibration graph .....                                                                                                         | 25   |
| Annex F (informative) Precision data .....                                                                                                                                      | 28   |
| Annex ZA (informative) Relationship of this European Standard with Council Directive 89/109/EEC and Commission Directive 90/128/EEC and associated Directives.....              | 29   |
| Bibliography .....                                                                                                                                                              | 31   |
